

“ Dream big
bold and loud
but understand that
nothing is given to you.
Passion, commitment
and hard work
are more powerful
than talent alone. ”

KATHERINE
BENNEL-PEGG
AUSTRALIAN ASTRONAUT

“ *Dream big, bold
and loud, but understand
that nothing is given to you.
Passion, commitment
and hard work are
more powerful than
talent alone.* **”**

all day I dream about...
space

Where could
your interests
take you?

Australia is heading to
the Moon
on our boldest
adventure yet

Our Aussie rover will travel to the
Moon on a future NASA mission.
Controlled from Earth, Roo-ver will collect
lunar soil, known as regolith, as part of
cutting-edge space research.
